### What is SA? SA International Central Office (866) 424-8777

Sexaholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover. The only requirement for membership is a desire to stop lusting and become sexually sober. There are no dues or fees for SA membership; we are self-supporting through our own contributions. SA is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes. SA's primary purpose is to help its members stay sexually sober and help other sexaholics.

### \*What is S-Anon?

*S-Anon is a fellowship of the spouses, relatives and friends of sexually addicted people who share their experience, strength and hope in order to solve their common problems. Our primary purpose is to recover from the effects upon us of another person's sexaholism and to help the families and friends of sexaholics. We do this by applying the 12-Steps of S-Anon to our lives and by welcoming and giving comfort to families of sexaholics. There are no dues or fees for S-Anon membership; we are self-supporting through our own contributions.*
